**INDEPENDENT DAY AND  
BOARDING SCHOOL**

**BOYS AND GIRLS AGES 2-18**

5<sup>th</sup> February 2025

Dear Parents,

I am very pleased to be sharing the most recent report on Greenfields School from the Independent Schools Inspectorate (ISI).

The report states that the school meets all the standards that were considered during the inspection.

The care for our pupils comes out strongly in the report, with mention of the "detailed induction" for boarders, the range of activities we provide, and our effective management of risk. The fact that we "actively promote the wellbeing of pupils by ensuring they are supported to individually achieve their full potential" is a welcome observation.

Safeguarding gets the full seal of approval with arrangements "implemented effectively" and all regulatory requirements met. The fact that concerns are promptly responded to and clearly recorded is also mentioned, as well as the monitoring done by senior staff and trustees.

Teaching was extensively reviewed by the visiting team, with the inspectors noting that "Teachers use their subject knowledge well to implement suitably sequenced lessons. They provide clear feedback to pupils which helps to support them to deepen their understanding." They also commented on the monitoring of pupil achievement and the accountability for progress of students.

The report also states that "Senior leaders demonstrate good skills and knowledge and fulfil their responsibilities effectively." This includes the oversight of the school by Greenfields Educational Trust.

Here is a link to the full report:
